from the levy of Octroi on articles other than Cloth is Rs 2415/- The Amildar reports that 900 bags have been Carts enter the town every week & that at the rate of 4 annas per laden Cart, the revenue from the proposed toll on Carts alone would come to Rs 150/- a week or Rs 7200/- a year The rates prevailing at Ramgarh & Adavangere is only annas 2 per laden cart & Calculating at this rate, the revenue at Gumkur will be about Rs 3600/-.

3. It is, however, a point for Consideration whether this question may not await the promulgation of the new Municipal Regulation, under which the Municipal revenue is expected to be placed on a more satisfactory footing than at present. The introduction of Octroi at Ramgarh & Adavangere and Kankan has been recently sanctioned by Govt.
